To avoid continuation of the meeting due to concerns about identity, the debtor should plan on participating by video.

Guidelines for Meeting Attendees:

- (1) Zoom Name – so that the Trustee can identify and match debtors with counsel in the virtual waiting room - names should include First and Last Name example: “Charlie Brown”.
  - a) To rename yourself while in a meeting:
    - i) Click “Participants”
    - ii) Find yourself, hover over your name and click “More”
    - iii) Choose “Rename” and change your name
- (2) If the debtor is participating by telephone, counsel should email the trustee with the phone number the debtor is calling from, and the name of debtor. The debtor’s photo ID and Social Security Card must be uploaded in advance.
- (3) To help keep background noise to a minimum, counsel should mute the microphone when not speaking.
- (4) Be mindful of background noise. Move to a quiet location.
- (5) When microphones are not muted, avoid activities that could create additional noise, such as shuffling papers.
- (6) Position your camera properly. Have it in a stable position and focused at eye level.
- (7) Focus on the meeting by turning off notifications or background devices, closing or minimizing running apps, and muting your smartphone.
- (8) Avoid multi-tasking. Do not participate while driving.
- (9) Refrain from replying to emails or text messages during the meeting.
- (10) Government issued photo ids and social security cards are required of the debtor. Prepare to have photo ID and Social Security Card in advance.
- (11) Have the petition, schedules and statement of financial affairs in front of the debtor before the meeting begins.
- (12) Only debtors and their counsel as well as creditors or interested parties will be allowed on the connection, i.e., no “moral support” or supplementary answers to be provided by friends or family.
